

From a Dancer

When I leave, I will take from this place the
lei that we share
When I leave, I will breathe in the grace of
this love in the air
And it will live, as long as I live
And with every song that I hear

I'll believe that my spirit still lives in the
wind and the sea
And I'll breathe every memory of you as it
wafts out to me
And I'll be here, as long as you're here
And wherever I go

Ride on the songs you've been given
Fly back to us when you hear them, oh hear
them

I have seen all the signs of my life as the
daily unfold
I am pleased to have joined with you all in
the dance of my soul
And I will feel as long as you feel
That we're never apart

When I leave, oh when I leave
